

Join us for a series of Digital Humanities talks and workshops

DIGI COLLOQUIUM

MAPPING AND TEACHING THE GEOGRAPHIES OF VIOLENCE IN RENAISSANCE ITALY

Presented By: Amanda Madden, Visiting Lecturer at Georgia Tech

Amanda Madden will discuss her research on locating incidents of violence in Renaissance Italy. She will also share how she has used this research and historical GIS to introduce students to the Digital Humanities in her classes at Georgia Tech.

MARCH 22 • 4:00 • DIGI LAB
