TEXT ANALYSIS IN CURO research: THE RHETORIC OF PRIVACY; POETICS FROM A DISTANCE IN MODERNIST MAGAZINES

Presented By: Ragan Foley ’19 and Maggie Dryden ’19

Seniors in the English department, Maggie Dryden and Ragan Foley, will present their semester long CURO projects. Foley’s work looks at a corpus of privacy policies and investigates their rhetorical structure while Dryden examines the spectrum of difference and editorial discretion in a corpus of poems from *The Little Review*.
