DIGI COLLOQUIUM

Focus on "Henry V"
A collaborative OER
Presented By: Professor Sujata Iyengar, English

Focus on "Henry V" is a peer-reviewed, digital, multimedia book and an Open Educational Resource authored by students and faculty at the University of Georgia (UGA) and Université Paul Valéry Montpellier 3 (UPVM3). The trans-Atlantic team including undergraduate, Master’s, and PhD students will discuss how their collaboration brings high standards of design and readability to the online publication format.
