DIGI COLLOQUIUM

UNCOVERING NEWSPAPER HISTORY WITH CHRONICLING AMERICA

Presented By: Deborah Thomas, Library of Congress

Deborah Thomas, Program Manager for the National Digital Newspaper Program (NDNP) at the Library of Congress will discuss Chronicling America, an online newspaper collection available through the Library of Congress, and their efforts to digitize and preserve America’s vast newspaper history. She will also share how this collection might be used in support of scholarship and the digital humanities.
